

AHMAD RAZA - Portfolio

Web Developer & Designer

=====

ABOUT

Hello! I am a passionate web developer based in your city. I enjoy creating things that live on the internet -- from simple static sites to interactive web applications.

When I am not coding, you will find me exploring new technologies, contributing to open source, or writing technical blog posts.

SKILLS

HTML5 | CSS3 | JavaScript | React | Node.js | Git | Databases | TypeScript

PROJECTS

Project 1: Web Application (HTML, CSS, JS)

Project 2: React Application (React, Node)

Project 3: Flask Application (Python, Flask)
